

It's that time of year when basketball fans from around the country celebrate the tournament of the year.

Perhaps your team has made it to St. Louis and you want to cheer them on to victory. GREAT!

***But only one team will move on to the final four!***

Once the final buzzer has sounded and time has run out, some will be thrilled with the results, while others will go away quite unhappy.

Regardless of the outcomes of these games, you do not have to despair! *We have some good news for you tonight...*

You can walk away with a victory that is far greater than you could imagine: victory over the sin in our life which keeps us from a close, personal relationship with God.

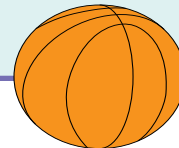

***This victory is not found on the court but in the person of Y'shua - the Jewish way to say Jesus.***

From the Book that shows us true victory: the Bible

*Everyone who believes that Jesus is the Christ is born of God, and everyone who loves the father loves his child as well. This is how we know that we love the children of God: by loving God and carrying out his commands. This is love for God: to obey his commands. And his commands are not burdensome, for everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. Who is it that overcomes the world? Only he who believes that Jesus is the Son of God. 1 John 5:1-4*
