YOU

are invited

to take

part in an adventure

in telling

the Good News

to those who

are lost...

Most Christians feel stymied in their personal witness today. Many have voiced personal fears, worry of how to handle negative reactions or lack of confidence in handling the scriptures. We have all been there and done that... but change is possible!

We have a proven track record since 1996 in training others to lovingly and effectively tell anyone, Jewish or gentile-ish, the Good News of Jesus.

Sharing your faith with others is a learned skill no different from swimming or riding a bicycle... it takes practice, not just hearing a lecture or reading a book. Through our short-term mission events, we give you mega-hands on experiences in teams of two to four so that you gain the confidence and experience in reaching others.

You will learn to tell God's story of personal redemption in a winsome manner, and at the same time develop life-long skills that will aid you in witnessing to anyone in the future.

This summer we are hosting our training event in Chicago based around the Taste of Chicago event which attracts nearly three million visitors. We want to help people taste and see that the Lord is good and offers eternal life to all who will receive him.

You are invited to join us... the cost for those who need housing locally will be \$750 which includes food, housing, local transportation, training expenses, witness shirts and caps and water as well as ministry literature.

Join us June 29 to July 6, 2008.

FAQ's

Do I have to be Jewish to participate?

No! We are an equal opportunity invlover - all we ask is that you be over the age of 18, or accompanied by a responsible adult, in good health, and have the affirmation of your pastor to participate.

How much does it cost?

It depends! Some stay at home, others stay in hotels. In general the cost is about \$750/week for housing, food and local transportation. Sometimes we are able to find some scholarship monies to help, but generally we urge people to approach their home church.

What should I bring?

You will receive a complete list of items to bring, but usually we help with shirts, caps, literature, and water bottles. Bibles and notebooks and easily transportable musical instruments are welcomed!

Do you provide baby sitting for children?

At this time we wish we could, but we do not yet have the resources to care for young children.

Will I need extra funds while I am there?

If you wish to purchase some personal items, local souvenirs, etc. you are welcome to bring extra funds. Otherwise, we cover the outreach costs through the registration fees.

What if I require a special diet?

We will try to fulfill your needs as best we can.
